

LAMGMA Lunch Program and Meeting

Service Animals in Your Medical Practice

The Cooperative of American Physicians, Inc. (CAP) and the Los Angeles Medical Group Management Association (LAMGMA) invites you to a risk management program, presented by CAP Senior Risk Manager Michael Valentine, JD.

About the Program:

What do you do when a patient comes to your office with a dog? Tell them to leave? Allow the dog no matter what? The answer is that it depends.

Objectives:

- Explain the difference between a “service dog” and an “emotional support animal.”
- Understand the law, rights and limitations for patients with service dogs or comfort animals.
- Know what you must, should and cannot do regarding service dogs and emotional support animals.
